LU 1853 has been blessed with so many donations of water, food, and time from the community. A tremendous amount of support has been shown to our members. We are so thankful to each one.

We were able to visit the picket line on Saturday! We had a warm welcome from the workers and were truly blessed by the solidarity and the way everyone is watching out for one another. While we were there well visits were done for the picket sites to make sure everyone was staying hydrated, safe, and had plenty of supplies.

Fighting for a contract that all the hard workers of GM deserve!
