

## **SOCIAL SECURITY PRIVATIZATION WOULD BE DEVASTATING FOR AFRICAN AMERICANS!**

In an effort to sell his scheme to privatize Social Security, President Bush is claiming that African Americans do not benefit from the current Social Security system because they do not live as long as whites. Don't be misled by this phony argument!

### **THE TRUTH IS:**

African Americans rely heavily on Social Security as the mainstay of their retirement income. They also benefit enormously from Social Security's survivor and disability benefits.

President Bush's scheme to privatize Social Security would lead to huge cuts in retirement, disability and survivor benefits for African American. As a result, it would lead to a sharp reduction in the standard of living for millions of African Americans.
