Stay Connected — Update Your Address with the International Union

Sisters and Brothers,

Our retirees built the foundation of the United Auto Workers. Because of your sacrifice, struggle, and strength, today's members continue to stand on solid ground. Your voice matters. Your involvement matters. Staying connected matters.

I am asking every retiree in Region 8 to ensure your contact information is current with the International Union. If you have moved, changed your mailing address, phone number, or email, please update your information immediately at: <https://myinfo.uaw.org>

Keeping your address current ensures you receive important UAW updates and notifications, stay informed on retiree issues and benefits, receive official mailings, and remain connected to activities and news across Region 8.

We never want a retiree to miss critical information because of an outdated address. Staying informed protects your voice and your benefits. If you know a fellow retiree who may not use email or social media, please share this message.

Let's look out for one another the way we always have. Region 8 is strong because of you. We want to make sure you continue to receive everything you've earned.

In Solidarity,

A handwritten signature in black ink that reads "Tim Smith".
